

C O U N C I L      C O M M U N I C A T I O N

TO: THE CITY COUNCIL  
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE  
JULY 11, 1990

SUBJECT: CONSIDER APPROVAL OF **THE SAN JOAQUIN COUNTY SALES TAX EXPENDITURE PLAN**

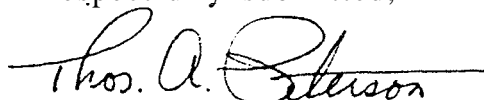

PREPARED BY: City Manager

RECOMMENDED ACTION: That the City Council continue its review of the San Joaquin County Sales Tax Expenditure Plan and take action as deemed appropriate.

BACKGROUND INFORMATION: The governmental agencies within San Joaquin County are proposing a sales tax ballot measure for the general election in November of this year. It is proposed that the ballot measure will involve a one-half cent increase in the sales tax which would raise approximately \$400 million in San Joaquin County over a 20-year period. The expenditure plan was distributed to the City Council with the Council agenda packet for the regular meeting of June 20, 1990. The City has been advised that a slightly revised plan has been prepared and copies of this amended plan will be distributed to the City Council as soon as they are received. The plan presents how the money would be allocated and the major projects that are proposed for construction or that are eligible if the sales tax measure passes.

A representative of the San Joaquin County Council of Governments (COG) staff will be making a brief presentation of the plan at Wednesday night's meeting. The COG representative, together with the Public Works Department staff, will answer any questions Councilmembers may have concerning the plan and the projects that are included.

Respectfully submitted,

  
Thomas A. Peterson  
City Manager

### MEMORANDUM

TO: All Interested Parties

FR: Mr. Peter Verdoorn, Executive Director

RE: San Joaquin County Local Transportation/Air Quality  
Improvement Plan

---

Attached is the San Joaquin County Local Transportation/Air Quality Improvement Plan. This document has been created at the direction of the San Joaquin County Council of Governments. The plan will:

- Build passenger rail service in San Joaquin County to improve air quality.
- Repair local roads and streets.
- Reduce congestion on area streets and highways.
- Build overpasses or underpasses at railroad crossings.
- Mandate local developer fees.
- Create a regional growth management program.

This twenty year plan will be taken to voters in November. To maximize this County's share of state and **federal** funds as well as local developer fees, voters will decide whether to join 17 of California's counties in using the sales tax for transportation purposes.

This plan must first be approved by the Stockton City Council plus three other city councils in San Joaquin County. It must then be approved by two-thirds of the membership of the San Joaquin Local Transportation Authority (the COG).

A survey of San Joaquin County citizens conducted by the Associated Chambers of Commerce was used as the blueprint for the Plan. The Plan was then prepared by the Expenditure Plan Advisory Group representing the professional staff of the cities, the County, Caltrans, and SMTD.

The COG Board is looking for comments on the San Joaquin County Local Transportation/Air Quality Improvement Plan. Please contact COG staff at the above address with your comments or call Andrew Chesley or Steve Dial of COG staff with comments or questions.

**M E M O R A N D U M**

**TO:** All Interested Parties

**FROM:** Andrew Chesley

**SUBJECT:** Eleventh Revision of the Attached Plan

---

The following changes have been made from the Plan that went before the City Councils and the Board of Supervisors during the weeks of June 18 and 25:

Page 7, third bullet, third paragraph: Have added "Any adjustment in the allocation formula will not lower the minimum base allocation."

Page 11, Airport Way: Limits have been changed from Lathrop Road to Route 120, to Yosemite Ave. to Route 120.

Page 13, Eleventh St.: Project has been changed from partially to fully sales tax funded.

Page 19, first paragraph: Clarified wording which is in bold lettering.

Page 19, first bullet: Level of Service standard from E to D.
